

Butterfly

The Butterfly represents endurance, change, hope, life, and is also considered a symbol of the soul. Many believe that when a butterfly visits one's life, something wonderful is about to happen. A red butterfly can signify spirit, a blue butterfly honour and acceptance, and a white butterfly can represent protection, with all colours using our premium commercial grade LED rope light. The Butterfly is an instantly recognizable symbol of transformation and is a beautiful decor piece that can be used throughout the year. Wall mount application is also available upon request.
